

Log Experiences Survey

Log Experiences Survey at Microsoft

1) What kind log data do you work with? (Check all that apply.)*

- Business data (for example, purchases, transactions)
- Customer usage of the product (for example, SQM data, feature usage, game play data)
- Execution behavior of the product (for example, crashes, performance data, load balancing)
- Engineering data of the product (for example, check-ins, work items, code reviews)
- Other: _____
- None of the above

2) What is something you find frustrating about working with log data?

3) Is it okay if we follow up with you about your experiences?*

- Yes.
- No.

4) What is your alias?

Thank You!
